Subject Draft ATSDR Meeting Agenda

Beverly and Franklin:

Good evening. I have attached a draft agenda for Monday's ATSDR Meeting. Please take a look at it and propose changes as needed. We need to get something over to Dr. Frumkin's office on Friday, if possible. Has the ATSDR staff seen a copy of our concept paper? To guide the discussion, it may be good to have a few issues pre-identified. I know that Jimmy wants to discuss the exposure standard/remediation standard conundrum. If you could get changes to Kindra or Rita, they can make them and ship them over. We also need to send Bob Safay a copy of the agenda.

Thanks  
Don
